

How to Peer Review an Article

A webinar for new and aspiring Journal Reviewers

What is expected of a reviewer?

What kinds of comments and feedback are appropriate?

How should different article types be reviewed?

How do I become a reviewer?

The Editor-in-chief of **Rural and Remote Health**, Professor Paul Worley, invites you to a webinar answering all of your questions about providing a useful journal review. Suitable for beginners and anyone who would like a brush-up on the art of reviewing.

The same webinar will run twice to accommodate different time zones: (see www.timeanddate.com for your local time)
